ABOUT US

We are happy to serve you, our valued customers, with our wide range of products.

STATEb2b was established in Turkey in 2014 with 100% domestic capital. Aiming at continuity in growth, STATEb2b provides services in the Balkans as well as its headquarters in Turkey. STATEb2b has set the target of being the leading supplier company preferred in Africa and Central Asia in the near future, apart from all of Europe. STATEb2b has adopted the principle of high customer satisfaction by providing uninterrupted service thanks to its professional work team and infrastructure. STATEb2b operates in the construction, energy, industrial facilities and retail sectors and offers different solutions to our esteemed partners, both in the form of material supply and turnkey project partnership. In addition to providing ease of supply for thousands of products from a single address, it is pleased to reach you, our customers, from all over the world, thanks to its quality product and fast service understanding...

MISSION

STATEb2b contributes to the common prosperity and development of global trade

VISSION

To meet customer expectations at the highest level with a wide product range by providing the right quality price ratio.
